Agenda Item SBC 05/02

Annual Implementation Plan: Target vs Achievement

- The details of Achievement of Chhattisgarh State in respect of Targets set in the National Broadband Mission were discussed with the SBC.
- The Chairperson of SBC, directed DoT to monitor data consumption of telecom BTSs installed in Chhattisgarh State to identify proper usage of telecom resources.
- Other stake holders such as COAI, DIPA and BSNL were also told to work towards betterment of telecom services in Chhattisgarh state with installation of new towers and through Fiberization of telecom resources.

(Action by: COAI, DIPA, DoT)

Agenda Item SBC 05/03

Amendment of state RoW rules and Pending RoW cases

- Agenda was discussed in detail and the Chief Secretary instructed Department of Electronics & IT (DoE & IT), Govt. of Chhattisgarh to examine the charges being taken in the state of Chhattisgarh and asked to develop a mechanism to reduce the delay in approval of RoW applications.
- Department of Commerce and Industry, Govt of Chhattisgarh was asked to look into the difference in charges of CG-RoW policy and Centre's RoW policy along with RoW policy of neighbouring states. It was suggested that Ease of Doing Business may be given utmost importance while providing suggestions for CG-RoW policy.

(Action by: DoE & IT, Dept. of Commerce & Industry)

Agenda Item SBC 05/04

Mandatory use of CBuD

- SBC was apprised about the achievement of Chhattisgarh State in terms of usage of CBuD App.
- Against the assigned target of 430 enquires, 714 enquires have already been registered on CBuD app in Chhattisgarh State.
- Chief Secretary asked various departments, which are doing excavation for the use of CBuD App by including the below mentioned line in every permission letter or work order as an advisory,

“Agency which is excavating must use the CBuD App before commencing any excavation on public lands/roads in the State”

CBuD app may be downloaded from Android/ Apple app store.

- DoE & IT was asked to use creative slogans as footer in day-to-day official papers/letters to promote CBuD app.
- The Chief Secretary instructed Department of Urban Administration and Development to hold a meeting with all the urban bodies and promote the use of CBuD app.
- COAI also requested to form District Level Telecom Committee (DLTC) to resolve telecom related matters at the district level itself. The Chairman instructed CHiPS to form DLTC.

(Action by: DoE & IT, Dept. of Commerce & Industry, UAD)

Agenda Item SBC 05/05

USOF mobile projects

- Committee was apprised about the status of various USOF funded projects undergoing across the state of Chhattisgarh. Around 500 towers have started radiating through various USOF schemes.
- Matter regarding upgradation of LWE Phase-1 towers from 2G to 4G was raised by Secretary (PWD). CGM BSNL informed that the same is under final stages with USOF and upon signing of agreement, the work will start.

(Action by: BSNL)

Agenda Item SBC 05/06

Implementation of the Electricity Green Energy Open Access Rules 2023

- Agenda was discussed and the Chairman instructed Department of Energy to examine the said amendment.

(Action by: Dept. of Energy)

Agenda Item SBC 05/07

Addendum to Model Building bye-laws

- Agenda was discussed and the representative of Department of Town and Country Planning informed that a draft is in process for the same.

(Action by: Dept. of Town and Country Planning)

Agenda Item SBC 05/08

Updation of data layers on PM Gatishakti State Master Plan portal

- Agenda was discussed and SBC was informed that data in respect of 6 Lakh electric poles have been mapped into the portal.

- The Chairman of SBC pointed out that the number of 6 lakh electric poles seems less in comparison of size of Chhattisgarh State. Dept of Energy was directed to verify the same.
- The Chairman also instructed that, the Dept of Commerce and Industry to carry out the exercise for updation of remaining data in the GatiShakti portal.

(Action by: Dept. of Commerce & Industry, Dept. of Energy)

Agenda Item SBC 05/09

Special assistance to states for capital investment on OFC network

SBC was informed that the funds cannot be drawn now as it has already lapsed. Therefore, this agenda is closed.

Any other point with the permission of Chair

- COAI suggested for a common duct policy for fibre laying in respect of infrastructure projects. DIPA suggested Delhi-Mumbai expressway as a case study for the same to implement as the best practice case.
- DIPA also suggested to fix the charges for usage of Government Building for deployment of telecom infrastructure.
- BSNL shared the concern of power cut in BharatNet GPs. A list will be shared by BSNL in respect of same.

(Action by: DoE & IT, BSNL, Dept. of Energy)

In his concluding remarks, the Chairman of State Broadband Committee, Chief Secretary, Govt. of Chhattisgarh assured that all assistance will be provided by the State Govt. for timely roll-out of 4G saturation project. He also asked CGMT BSNL to expedite the progress of upgradation of BSNL 2G/3G Mobile BTSs to 4G soon after receipt of the equipment as the upgradation work can be completed quickly and this will bring a lot of relief to security personnel and the common citizen of the state.

He requested Department of Telecom to monitor the daily data consumption of all the mobile towers in Chhattisgarh State and to compare it with the national average. This will help in identifying the usage of telecom towers and in formulating policies for bridging the digital divide.

The meeting ended with thanks to the chair.

Issued with the approval of Chairman, State Broadband Committee, Chhattisgarh.

Sub: Convening of 5th Meeting of State Broadband Committee (SBC) of Chhattisgarh

Sir,

State Broadband Committee, as envisaged in National Broadband Mission, is pivotal for effective implementation of the mission and proliferation of broadband in the State. The committee is expected to meet on quarterly basis. SBC of Chhattisgarh state last met on 10th November 2022 (4th meeting).

It is requested that a suitable date, as per your convenience, may be decided for the 5th meeting of SBC. The proposed agenda points for the meeting are as follows:

1. 4th meeting of SBC- Review of Action Taken
2. Annual Implementation Plan- Target vs Achievement
3. Pending RoW cases of OFC laying and tower installation
4. Proposed modifications in State RoW policy including use of street furniture for 5G
5. Adoption of pilot 5G use cases
6. 5G courses and skill development
7. Updation of data layers on PM Gatishakti State Master Plan portal
8. Implementation of The Electricity Green Energy Open Access Rules 2023
9. Addendum to Model Building bye-laws
10. Mandatory use of CBuD app
11. USOF mobile projects
12. Utilisation of BharatNet
13. Any other point with the permission of chair

Thanking you,

Yours faithfully,
