Section-1

1.1 General Introduction

SARALSANCHAR'(Simplified Application For Registration and Licenses) a Web based Portal, for Issuing of various types of Licenses and Registration certificates is part of various Digital initiatives being taken by Department of Telecommunications. It is a unified portal to issue various types of Licenses and registrations in a digitized manner which will not only ensure transparency but also make the process more efficient. This will pave the way for a paperless, secure and hassle-free platform for various applicants.

Acronyms and Abbreviations

List of the acronyms and abbreviations used in this document and the meaning of each.

- **DoT** : Department of Telecommunications.
- NSWS : National Single Window System.

1.2 About Licenses

The Department of Telecommunications has awarded '100 5G Use Case Labs' to educational institutions across the country. The primary objective behind this initiative is to cultivate competencies and engagement in 5G technologies among students and start-up communities.

Section-2 Applicant Part

2.1 Login

Go to National Single Window System using the URL https://www.nsws.gov.in/.
